Porterville Fair
Junior Livestock Show and Sale

At the direction of the fair veterinarian and the fair board, all exhibitors, leaders and parent or legal guardians must sign this document and acknowledge that the following statements are true for animals intended for sale and slaughter. By signing this document the exhibitor and their parents or legal guardian acknowledge that you are absolutely and solely responsible for the care and custody of your animal during all operating hours of the fair.

1. The withdrawal time will have been met if any growth stimulating implant has been used.
2. The withdrawal time will have been met if medicated feed has been fed.
3. The withdrawal time will have been met if any medication (antibiotic, wormer, insecticide, etc.) has been given orally, topically, or by injections.
4. Note: Drug testing for your animal will occur at the slaughter house by representatives of the United States Department of Agriculture. A positive test will result in legal action taken by the USDA with the exhibitor, parent, legal guardian, and /or leader or advisor.
