FURY FRIENDS AWAIT YOU AT THE 2024 PORTERVILLE FAIR

Porterville Fair has a special treat for you the young and old that cannot resist the fair's fury friends. Global Livestock Petting Zoo will set up housekeeping at the 2024 Porterville Fair.

Fairgoers of all ages enjoy the many types of experiences a fair brings. One classic favorite is a petting zoo. As you make your way through the yummy smells and exciting sounds of rides and thrills you will find Global Livestock Petting Zoo. Get up close and personal with a "zoo" that consists of a wide variety of friendly critters. When's the last time you had a little chat with a zebra? Cups of feed will be sold if you would like to offer up a little nibble to your new fuzzy friends.

"Zoo" animals' welcome fair guests into their environment as all animals in Global Livestock Petting Zoo love interaction with people. They will bring excitement and joy to all. With a wide variety of species not found in our everyday lives this petting zoo is sure to ignite your curiosity and interest. Go ahead. Take a walk on the wild side. You will find the petting zoo front and center as you enter the front gates. Snuggles and petting is free with your Fair admission.

For more information on the Porterville Fair, call 781-6582.
