FOR IMMEDIATE RELEASE
April 21, 2025

SEA LION SPLASH SHOW AT THE PORTERVILLE FAIR

WHAT: Sea Lion Splash Show

WHEN: May 14-18, 2025 – several shows each day

WHERE: 2700 W. Teapot Dome Ave., Porterville, CA 93257

DETAILS: Porterville, CA, April 21, 2025– Splish and splash into fun with the Sea Lion Splash show at the Porterville Fair. Hang ten with the loveable sea babies and their trainers. This thirty-minute adventure brings out the natural comedic behavior of sea lions. Watch as these playful creatures jump in and out of water, balance, catch and retrieve objects, perform handstands, dance, sing and interact with the audience. The show is geared around educating the audience on the habits and nature of the sea lions with a lot of comedy thrown in. Sea lions are natural performers and will ad lib without prompting, stealing the show with their cute mischief. The finale of the show provides the audience a magical moment with a close sea lion encounter. Whether showtime or not, sea lions will continuously provide entertainment by being their natural selves.

The show was inspired by sea lion rescue efforts for beached animals and animals that were unable to be returned to the wild due to age or injuries and needed a permanent home. Animal comfort and well-being is a top priority, and great care has been taken in designing the exhibit and sea lion transportation. The exhibit is crafted in a tropical setting with rocks, palm trees, waterfalls, foliage and two pools. Fair goers can observe the sea lions under water or from above. These spirited animals can also be viewed from all sides during the show and during breaks. The Sea Lion Splash is the only traveling sea lion show featuring both California and South American sea lions in the United States and is returning to the Porterville Fair. By popular demand.
