ARE YOU TALKING TO ME??

(Porterville, CA) – You will know *someone* – or *something* is talking to you. But who is it? Where is that voice coming from. It's Ventriloquist Vikki of course!

What is a ventriloquist? It is an act of stagecraft in which a person speaks in such a way that it seems like their voice is coming from a different location, usually through a puppet known as a "dummy".

Regardless of where you are on the grounds, Ventriloquist Vikki may come strolling your way with her very colorful and joyful friends. Her party wagon has surprises to bring out the kid in all of us! Vikki is a talented fluent in English and Spanish performer adding her professional talents of fun and frivolity wherever she wanders. No ticket required for this extra delightful show. Vikki will play to any audience at hand and have them joining the giggling squad without their knowledge. Her fun filled antics will scotch the shyness out of the most bashful and bring them right into the fun. Vikki has no problem finding the willing and bold in a crowd and she will have everyone enjoying the laughter together.

Make sure to take a minute to enjoy the years of hard work and practice that has been endured becoming a believable entertainer of this level. Fairs are all about forgetting your worries for a few hours and enjoying the fun in front of you. Let yourself do just that. Be on the lookout for Ventriloquist Vikki as she will not disappoint!
